

Prospanica has preserved affordable registration rates for students. The chart below shows those rates for the Early Bird and Standard pricing windows.

EARLY BIRD (8/3-9/7) Non-member Price	EARLY BIRD (8/3-9/7) Member Price	STANDARD (9/8-10/16) Non-member Price	STANDARD (9/8-10/16) Member Price
\$ 125	\$ 75	\$ 150	\$ 100

We also offer **discounts for groups of students**, and these discounts are offered through two different processes.

Process 1: Through the University

The university purchases a particular number of registrations, and we provide a code for the students, who register themselves individually. The chart below shows the tiered discounts based on the number of students. The blue column shows the price if the school also purchases Prospanica memberships for its students. **Prospanica members gain early access to the career fair.**

Bulk Count	Discount	EARLY BIRD (8/3-9/7) Non-member Price	EARLY BIRD (8/3-9/7) Member Price	EARLY BIRD (8/3-9/7) \$30 Membership + Member Price	STANDARD (9/8-10/16) Non-member Price	STANDARD (9/8-10/16) Member Price	STANDARD (9/8-10/16) \$30 Membership + Member Price
		15-29 Registrations	15% off	\$ 106	\$ 64	\$ 94	\$ 128
30-49 Registrations	20% off	\$ 100	\$ 60	\$ 90	\$ 120	\$ 80	\$ 110
50+ Registrations	25% off	\$ 94	\$ 56	\$ 86	\$ 113	\$ 75	\$ 105

Process 2: Through a Group of 15+ Students

A student-organized group can only obtain the 15% discount. Students will collect the names and email addresses of their group and share that list with us, and we'll email the code to the students. The students will register individually by 10/1, paying the discounted price themselves. If fewer than 15 students from the group register, the discount will be revoked, and students will pay the difference.
